The screenshot shows the Driver Genius software interface. The main window is titled "Driver Download Manager" and displays a table of driver packages. A dialog box is open in the foreground asking "Do you want to create a restore point now?". The dialog box has a yellow warning icon and text stating "It is recommended that you create a system restore point before installing new drivers." with "Oui" and "Non" buttons. A red arrow points to the "Oui" button. Another red arrow points to the "Install" button in the main window.
